## Comfort, Safety, and Fit with DryFit™ Technology

Microfiber blucher-style shoes featuring DryFit™ technology and a 100% rubber sole, delivering exceptional slip resistance and shock absorption. Combined with our innovative Lace Stoppers system, these shoes provide an effortless and secure fit.

## Main Features

-  EN ISO 20347:2022 certified protection level O1+SR.
-  Slip-resistant rubber sole provides added protection and grip.
-  Elastic laces with Lace Stopper technology for easy fitting.
-  Removable memory foam insoles that mold to the shape of the foot, providing customized support.
-  Antistatic protection.

## Slip Resistance

Lightweight, flexible, and slip resistant. Enjoy exceptional cushioning and a broad shoe width designed to prevent friction, ensuring all-day comfort and stability.

## DryFit™ Technology

Made from microfiber material with DryFit™ technology that prevents liquid absorption while allowing breathability. The padded collar adds an extra layer of comfort, making long hour shifts feel lighter.

## Lace Stoppers

Lace Stoppers technology makes fitting your shoes a breeze. Quick, easy, and hassle-free – you'll be ready to go in no time.
